

Industry Membership and Sponsorship Guide

KAS

Established 1914

KENTUCKY ACADEMY
OF SCIENCE

The mission of the KAS is to catalyze scientific communication and collaboration that improves research, education, and public engagement with science in the Commonwealth of Kentucky.

*Get involved
with the KAS!*

- Connect with hundreds of scientists throughout the region
- Promote your services and products, and share career opportunities at our Annual meeting (November 2nd & 3rd at Northern Kentucky University)
- Your sponsorships promote young scientist development and science education in Kentucky.

NKU NORTHERN
KENTUCKY
UNIVERSITY

Industry Affiliate Memberships

We offer several annual Industry Membership packages to support the activities of the KAS:

Viceroy Butterfly \$1000+

Industry Sponsorship Opportunities

We offer several industry sponsorship opportunities to support the activities of the KAS:

Annual Meeting Sponsorship (November 2nd & 3rd at NKU)

\$1000+

Support our annual meeting fund that provides two days of scientific presentations, keynote speakers, teacher workshops, food & beverages. Receive free space at career fair and promotion of logo in Annual Meeting media and literature.

Annual Meeting Exhibitor / Career Fair (November 2nd & 3rd at NKU) \$200 / \$225

Exhibitors receive career fair exhibitor space and promotion of company description in the Annual Meeting Program.

Kentucky Junior Academy of Science Fund

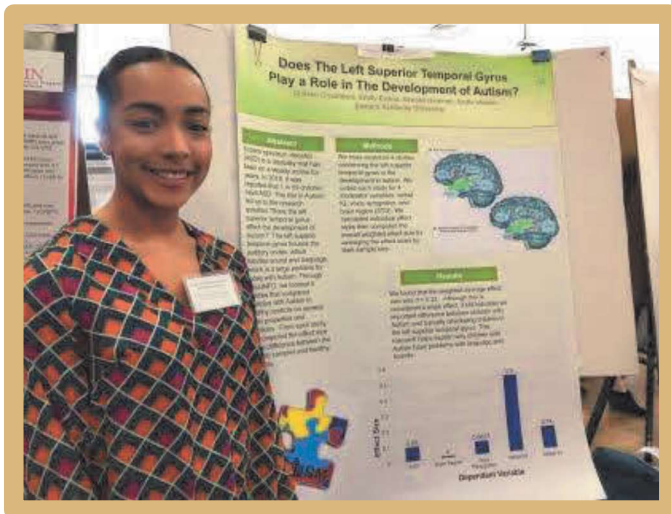

\$500+

Support the development of our young Kentucky scientists through our Junior Academy. High School & Middle school students attend our annual meeting and top ranking students present their research at a national scientific conference.

Student and Faculty Scholarship Funds

\$500+

Support student travel to participate in scientific conferences, and support grant funding for Kentucky scientists.
