2022 EXCELLENCE IN SCIENCE EDUCATION AND OUTREACH AWARD REQUEST FOR NOMINATIONS

This award provides special recognition to unique activities, educational programs, or approaches that increase involvement, engagement, and sustainability of science in the Commonwealth of Kentucky.

Nominations are open to individual members, and to groups of members (for example, from one or various institutions), that have collaborated on Education and Public Outreach initiatives.

Evaluation criteria includes advocacy and involvement in public outreach, and overall impact on the public. For more detailed information:
https://www.kyscience.org/excellence_in_science_educatio.php

Nominations are made on behalf of an individual KAS member (or group of KAS members) by another KAS member (no self-nominations).

The nominator must provide a letter explaining why the nominee should win the award, and three letters of recommendation from (1) the nominee's department chair or other supervisor, (2) a colleague, and (3) a community member or teacher who has participated in an outreach activity involving the nominee.

Kindly send nomination materials to KAS Vice-President Noel Novelo,
