---

### **Camp Bernheim**

Clermont, KY

Camp Bernheim offers a blend of outdoor adventure, exploration, and fun for all. Campers will engage in a variety of nature-based activities, including kayaking, creek walking, nature crafts, outdoor investigations, and more. We'll discover the plants and animals that call Kentucky home while experiencing all the wonders Bernheim has to offer. Each camp session runs daily from 9 a.m. to 3:30 p.m.

Dates:

Ages:

Costs:

2026 information will be posted here: <https://bernheim.org/camp-bernheim/>

### **Living Arts and Science Center**

Lexington, KY

Offers numerous camps from early June through early August. Various topics – some, but not all, science-related. Offerings for students K-12.

<https://www.lasclex.org/learn> Registration for summer camps opens in February (and summer camp information will be available on this website)

### **Thomas More University Biology Field Station**

California, KY

The 2026 Ecology, Conservation, and Outreach (ECO) STEM Camp for high schoolers is July 12-15 at the Thomas More University Biology Field Station. ECO STEM Camp is perfect for students interested in aquatic biology, conservation, and environmental science. Sessions are taught by Field Station staff, interns, and University faculty. Students stay overnight at the Field Station Lodge, and all meals are provided. Visit the [camp website](#) for FAQs and to apply.

Contact: Molly Williams ([williamsm@thomasmore.edu](mailto:williamsm@thomasmore.edu)).

Registration: \$400. Financial assistance available.

### **Bellarmino University Camp Valor**

Louisville, KY

Various Topics

Registration opens March 5 at 12 noon ET. Contact: [campvalor@bellarmine.edu](mailto:campvalor@bellarmine.edu)

<https://www.bellarmino.edu/ce/youth-camps/>
